Note: Students attending Kindergarten in NC must be 5 years of age on or before August 31st. At the Flock, we typically enroll children based on this same "cut-off" date. However, we will always do what is in the best interest of each and every child. If you have questions or concerns about classroom placement, please set up an appointment with Mrs. Teresa to be sure that the best decision is made for your child. This is for any class that you may be considering!
